PROFESSIONAL EXPERIENCE

Graphics Designer

January 2021 - December 2023

Greenwave Consulting

- Designed brand-aligned visual assets for corporate communications, client presentations, and consulting reports.
- Created digital content (infographics, carousels) for social media campaigns, contributing to a 40% increase in online engagement.
- Developed branding materials for internal and client use, including logos, pitch decks, business cards, and brand style guides.
- Ensured all visual content upheld Greenwave's brand identity while catering to a diverse, professional client base.
- Collaborated with the strategy team.

Freelance Graphics Designer

March 2024 - April 2025

Prime Nest Properties

- Developed visually compelling marketing materials including property flyers, banners, brochures, and digital ads to support property sales and client engagement.
- Designed and maintained consistent brand aesthetics across all platforms, ensuring visual identity aligned with Prime Nest's premium positioning in the real estate market.
- Collaborated closely with the marketing team to create social media graphics that increased audience engagement and lead conversion.
- Managed multiple design projects simultaneously under tight deadlines while maintaining high-quality standards.

PROFESSIONAL EXPERIENCE

Graphics Designer

June 2025 - September 2025

Destiny's Store

- Created visually appealing designs for product, fashion catalogs, and seasonal campaigns, aligning with the brand's identity.
- Developed engaging social media content (Instagram, Facebook, WhatsApp flyers) that increased brand awareness and customer engagement.
- Collaborated with the photography and content teams to edit product images and create consistent branding across platforms.
- Produced packaging design concepts including shopping bags, tags, and thank-you cards to elevate customer experience.

EDUCATION

BSc Computer Science

- Lagos State University, Ojo
